

MARIA SIDDHA MEDICAL COLLEGE AND HOSPITAL
WORLD ENVIRONMENTAL DAY

World Environmental Day is celebrated every year on 5th June to create global awareness and environmental protection.

Our students, faculties and staff have made a solemn of pledge to safeguard the environment with the theme of this year 2024 “Land Restoration, desertification and drought resilience”

The tree planting activity was carried out by **Principal Dr. Sajitha R D, M.D.(Sid) and Professor Dr. Ganapathy V, M.D.(Sid)**. The CME program was conducted on the interesting topic of “Siddha Environmental Engineering” on 11.06.2024

We have meticulously organized several activities to create heightened awareness. The event was successfully conducted with green nature awareness and whole hearted participants. Competitions have been conducted on 10.06.2024 and distributed prizes to the winners as well. Competitions were conducted on 10.06.2024 and prizes were awarded to the winners.

Thank You
